RENTAL HOUSING INTEGRITY IMPROVEMENT PROJECT

EIV & You

ENTERPRISE INCOME VERIFICATION

**What YOU Should Know
if You are Applying for or are Receiving
Rental Assistance through the Department of
Housing and Urban Development (HUD)**

What is EIV?

EIV is a web-based computer system containing employment and income information on individuals participating in HUD's rental assistance programs. This information assists HUD in making sure "the right benefits go to the right persons".

What income information is in EIV and where does it come from?

The Social Security Administration:

- Social Security (SS) benefits
- Supplemental Security Income (SSI) benefits
- Dual Entitlement SS benefits

The Department of Health and Human Services (HSS) National Directory of New Hires (NDNH):

- Wages
- Unemployment compensation
- New Hire (W-4)

What is the information in EIV used for?

The EIV system provides the owner and/or manager of the property where you live with your income information and employment history. This information is used to meet HUD's requirement to independently verify your employment and/or income when you recertify for continued rental assistance. Getting the information from the EIV system is more accurate and less time consuming and costly to the owner or manager than contacting your income source directly for verification.

Property owners and managers are able to use the EIV system to determine if you:

- correctly reported your income

They will also be able to determine if you:

- Used a false social security number
- Failed to report or under reported the income of a spouse or other household member
- Receive rental assistance at another property

Is my consent required to get information about me from EIV?

Yes. When you sign form HUD-9887, Notice and Consent for the Release of Information, and form HUD-9887-A, Applicant's/Tenant's Consent to the Release of Information, you are giving your consent for HUD and the property owner or manager to obtain information about you to verify your employment and/or income and determine your eligibility for HUD rental assistance. Your failure to sign the consent forms may result in the denial of assistance or termination of assisted housing benefits.

Who has access to the EIV information?

Only you and those parties listed on the consent form HUD-9887 that you must sign have access to the information in EIV pertaining to you.

What are my responsibilities?

As a tenant in a HUD assisted property, you must certify that information provided on an application for housing assistance and the form used to certify and recertify your assistance (form HUD-50059) is accurate and honest. This is also described in the *Tenants Rights & Responsibilities* brochure that your property owner or manager is required to give to you every year.

Penalties for providing false information

Providing false information is fraud. Penalties for those who commit fraud could include eviction, repayment of overpaid assistance received, fines up to \$10,000, imprisonment for up to 5 years, prohibition from receiving any future rental assistance and/or state and local government penalties.

Protect yourself, follow HUD reporting requirements

When completing applications and recertifications, you must include all sources of income you or any member of your household receives. Some sources include:

- Income from wages
- Welfare payments
- Unemployment benefits
- Social Security (SS) or Supplemental Security Income (SSI) benefits
- Veteran benefits
- Pensions, retirement, etc.
- Income from assets
- Monies received on behalf of a child such as:
 - *Child support*
 - *AFDC payments*
 - *Social security for children, etc.*

If you have any questions on whether money received should be counted as income, ask your property owner or manager.

When changes occur in your household income or family composition, immediately contact your property owner or manager to determine if this will affect your rental assistance.

Your property owner or manager is required to provide you with a copy of the fact sheet "How Your Rent Is Determined" which includes a listing of what is included or excluded from income.

What if I disagree with the EIV information?

If you do not agree with the employment and/or income information in EIV, you must tell your property owner or manager. Your property owner or manager will contact the income source directly to obtain verification of the employment and/or income you disagree with. Once the property owner or manager receives the information from the income source, you will be notified in writing of the results.

What if I did not report income previously and it is now being reported in EIV?

If the EIV report discloses income from a prior period that you did not report, you have two options: 1) you can agree with the EIV report if it is correct, or 2) you can dispute the report if you believe it is incorrect. The property owner or manager will then conduct a written third party verification with the reporting source of income. If the source confirms this income is accurate, you will be required to repay any overpaid rental assistance as far back as five (5) years and you may be subject to penalties if it is determined that you deliberately tried to conceal your income.

What if the information in EIV is not about me?

EIV has the capability to uncover cases of potential identity theft; someone could be using your social security number. If this is discovered, you must notify the Social Security Administration by calling them toll-free at 1-800-772-1213. Further information on identity theft is available on the Social Security Administration website at: <http://www.ssa.gov/pubs/10064.html>.

Who do I contact if my income or rental assistance is not being calculated correctly?

First, contact your property owner or manager for an explanation.

If you need further assistance, you may contact the contract administrator for the property you live in; and if it is not resolved to your satisfaction, you may contact HUD. For help locating the HUD office nearest you, which can also provide you contact information for the contract administrator, please call the Multifamily Housing Clearinghouse at: 1-800-685-8470.

Where can I obtain more information on EIV and the income verification process?

Your property owner or manager can provide you with additional information on EIV and the income verification process. They can also refer you to the appropriate contract administrator or your local HUD office for additional information.

If you have access to a computer, you can read more about EIV and the income verification process on HUD's Multifamily EIV homepage at: www.hud.gov/offices/hsg/mfh/rhiip/eiv/eivhome.cfm.

JULY 2009

APPLYING FOR HUD HOUSING ASSISTANCE?

**THINK ABOUT THIS...
IS FRAUD WORTH IT?**

Do You Realize...

If you commit fraud to obtain assisted housing from HUD, you could be:

- **Evicted** from your apartment or house.
- **Required to repay** all overpaid rental assistance you received.
- **Fined** up to \$10,000.
- **Imprisoned** for up to five years.
- **Prohibited** from receiving future assistance.
- **Subject** to State and local government penalties.

Do You Know...

You are committing fraud if you sign a form knowing that you provided false or misleading information.

The information you provide on housing assistance application and recertification forms will be checked. The local housing agency, HUD, or the Office of Inspector General will check the income and asset information you provide with other Federal, State, or local governments and with private agencies. Certifying false information is fraud.

So Be Careful!

When you fill out your application and yearly recertification for assisted housing from HUD make sure your answers to the questions are accurate and honest. You must include:

All sources of income and changes in income you or any members of your household receive, such as wages, welfare payments, social security and veterans' benefits, pensions, retirement, etc.

Any money you receive on behalf of your children, such as child support, AFDC payments, social security for children, etc.

Any increase in income, such as wages from a new job or an expected pay raise or bonus.

All assets, such as bank accounts, savings bonds, certificates of deposit, stocks, real estate, etc., that are owned by you or any member of your household.

All income from assets, such as interest from savings and checking accounts, stock dividends, etc.

Any business or asset (your home) that you sold in the last two years at less than full value.

The names of everyone, adults or children, relatives and non-relatives, who are living with you and make up your household.

(Important Notice for Hurricane Katrina and Hurricane Rita Evacuees: HUD's reporting requirements may be temporarily waived or suspended because of your circumstances. Contact the local housing agency before you complete the housing assistance application.)

Ask Questions

If you don't understand something on the application or recertification forms, always ask questions. It's better to be safe than sorry.

Watch Out for Housing Assistance Scams!

- Don't pay money to have someone fill out housing assistance application and recertification forms for you.
- Don't pay money to move up on a waiting list.
- Don't pay for anything that is not covered by your lease.
- Get a receipt for any money you pay.
- Get a written explanation if you are required to pay for anything other than rent (maintenance or utility charges).

Report Fraud

If you know of anyone who provided false information on a HUD housing assistance application or recertification or if anyone tells you to provide false information, report that person to the HUD Office of Inspector General Hotline. You can call the Hotline toll-free Monday through Friday, from 10:00 a.m. to 4:30 p.m., Eastern Time, at 1-800-347-3735. You can fax information to (202) 708-4829 or e-mail it to Hotline@hudoig.gov. FACT SHEET

For HUD ASSISTED RESIDENTS

Project-Based Section 8

“HOW YOUR RENT IS DETERMINED”

Office of Housing

September 2010

This Fact Sheet is a general guide to inform the Owner/Management Agents (OA) and HUD-assisted residents of the responsibilities and rights regarding income disclosure and verification.

Why Determining Income and Rent Correctly is Important

Department of Housing and Urban Development studies show that many resident families pay incorrect rent. The main causes of this problem are:

- Under-reporting of income by resident families, and
- OAs not granting exclusions and deductions to which resident families are entitled.

OAs and residents all have a responsibility in ensuring that the correct rent is paid.

OAs' Responsibilities:

- Obtain accurate income information
- Verify resident income
- Ensure residents receive the exclusions and deductions to which they are entitled
- Accurately calculate Tenant Rent
- Provide tenants a copy of lease agreement and income and rent determinations Recalculate rent when changes in family composition are reported
- Recalculate rent when resident income decreases
- Recalculate rent when resident income increases by \$200 or more per month
- Recalculate rent every 90 days when resident claims minimum rent hardship exemption
- Provide information on OA policies upon request
- Notify residents of any changes in requirements or practices for reporting income or determining rent

Residents' Responsibilities:

- Provide accurate family composition information
- Report all income
- Keep copies of papers, forms, and receipts which document income and expenses
- Report changes in family composition and income occurring between annual recertifications
- Sign consent forms for income verification
- Follow lease requirements and house rules

Income Determinations

A family's anticipated gross income determines not only eligibility for assistance, but also determines the rent a family will pay and the subsidy required. The anticipated income, subject to exclusions and deductions the family will receive during the next twelve (12) months, is used to determine the family's rent.

What is Annual Income?

Gross Income – Income Exclusions = Annual Income

What is Adjusted Income?

Annual Income – Deductions = Adjusted Income

Determining Tenant Rent

Project-Based Section 8 Rent Formula:

The rent a family will pay is the **highest** of the following amounts:

- 30% of the family's monthly *adjusted* income
 - 10% of the family's monthly income
 - Welfare rent or welfare payment from agency to assist family in paying housing costs.
- OR
- \$25.00 Minimum Rent

Income and Assets

HUD assisted residents are required to report **all** income from all sources to the Owner or Agent (OA).

Exclusions to income and deductions are part of the tenant rent process.

When determining the amount of income from assets to be included in annual income, the actual income derived from the assets is included except when the cash value of all of the assets is in excess of \$5,000, then the amount included in annual income is the higher of 2% of the total assets or the actual income derived from the assets.

Annual Income Includes:

- Full amount (before payroll deductions) of wages and salaries, overtime pay, commissions, fees, tips and bonuses and other compensation for personal services
- Net income from the operation of a business or profession

- Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except for lump-sum additions to

- Periodic and determinable allowances, such as alimony and child support payments and regular contributions or gifts received from organizations or from persons not residing in the dwelling
- All regular pay, special pay and allowances of a member of the Armed Forces (except for special pay for exposure to hostile fire)
- For Section 8 programs only, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965, shall be considered income to that individual, except that financial assistance is not considered annual income for persons over the age of 23 with dependent children or if a student is living with his or her parents who are receiving section 8 assistance. For the purpose of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

Assets Include:

- Stocks, bonds, Treasury bills, certificates of deposit, money market accounts

RESIDENT RIGHTS & RESPONSIBILITIES

Secretary of HUD

This brochure does not apply to the Public Housing Program, the Section 8 Moderate Rehabilitation Program (except for multifamily housing properties insured by HUD), and the Housing Choice Voucher Program (except when a voucher is used in a multifamily housing property with a HUD-insured mortgage).

AS A RESIDENT, YOU HAVE RIGHTS AND RESPONSIBILITIES THAT HELP MAKE YOUR HUD-ASSISTED HOUSING A BETTER HOME FOR YOU AND YOUR FAMILY.

This brochure is being distributed to you because the United States Department of Housing and Urban Development (HUD), which regulates the property in which you live, has provided some form of assistance or subsidy for your apartment. As part of its dedication to maintaining the best possible living environment for all residents, your local HUD office encourages and supports the following:

- Management agents and property owners communicate with residents on any and all issues
- Owners and managers give prompt consideration to all valid resident complaints and resolve them as quickly as possible
- Your right to file complaints with management, owners, or government agencies without retaliation, harassment or intimidation
- Your right to organize and participate in certain decisions regarding the well-being of the property and your home
- Your right to appeal a decision made by the local HUD office to the Office of Asset Management and Portfolio Oversight at HUD Headquarters.

Along with the owner/management agent, you play an important role in making your apartment, the grounds, and other common areas—a better place to live.

This brochure briefly lists some of the most important rights and responsibilities to help you get the most out of your home.

YOUR RIGHTS

As a resident of a HUD-assisted multifamily housing property, you should be aware of your rights.

Rights: *Involving Your Apartment*

- The right to live in decent, safe, and sanitary housing that is free from environmental hazards including lead-based paint.
- The right to have repairs performed in a timely manner, upon request.
- The right to be given reasonable notice, in writing, of any non-emergency inspection or other entry into your apartment.
- The right to protection from eviction except for specific causes stated in your lease.
- The right to request that your rent be recalculated if your income decreases.
- The right to access your tenant file.

Rights: *Involving Resident Organizations*

- The right to organize as residents without obstruction, harassment, or retaliation from property owners or management.
- The right to provide leaflets and post materials in common areas informing other residents of their rights and opportunities to involve themselves in their property.
- The right to use appropriate common space or meeting facilities to organize (this may be subject to a reasonable, HUD-approved fee).
- The right to meet without representatives or employees of the owner/management company present.
- The right to be recognized by property owners/management company as having a voice in residential community affairs.

Rights: *Involving Nondiscrimination*

The right to equal and fair treatment and use of your building's services and facilities, without regard to race, color, religion, gender, sexual orientation, gender identity, disability, familial status (children under 18), national origin (ethnicity or language), or in some circumstances, age.

YOUR RESPONSIBILITIES

As a resident of a HUD-assisted multifamily housing property, you also have certain responsibilities to ensure that your building remains a suitable home for you and your neighbors. By signing your lease, you, the owner and the management company have entered into a legal, enforceable contract. You are responsible for complying with your lease, house rules, and local laws governing your property. If you have any questions about your lease or do not have a copy of it, contact your property management agent or the local HUD office.

Responsibilities: *To Your Property Owner or Management Agent*

- Complying with the rules and guidelines that govern your lease.
- Paying the correct amount of rent on time each month.
- Providing accurate information to the owner/management agent's company at the certification or recertification interview to determine your total tenant payment, and consenting to the release of information by a third party to allow for verification.
- Reporting changes in the family's income or composition to the owner/management agent's company in a timely manner.

Responsibilities: *To the Property and Your Fellow Residents*

- Complying with rules and guidelines that govern your lease.
- Conducting yourself in a manner that will not disturb your neighbors.
- Not engaging in criminal activity in your apartment, common areas or grounds.
- Keeping your apartment reasonably clean, with exits and entrances free of debris, clutter or fire hazards and not littering the grounds or common areas.
- Disposing of garbage and waste in the proper manner.
- Maintaining your apartment and common areas in the same general physical condition as when you moved in.
- Reporting any apparent environmental hazards to the management (such as peeling paint, which is a hazard if it is a lead-based paint) and any defects in building systems, fixtures, appliances, or other parts of the apartment, the grounds, or related facilities.

YOUR RIGHT TO BE INVOLVED

In decisions affecting your home

As a resident in HUD-assisted multifamily housing, you play an important role in decisions that affect your community. Different HUD programs provide for specific resident rights. You have the right to know under which HUD program your building is assisted. To find out if your apartment building is covered under any of the following programs, contact your management agent, Section 8 contract administrator, or the HUD office nearest you. If your building was funded under HUD's Rental Assistance Demonstration Program, or HUD's Section 236, 221(d)(3)/BMIR, Rental Assistance, Section 202 Direct Loan or Section 202/811 Capital Advance Programs or is assisted under any applicable project based Section 8 program or Rent Supplement, you have the right to be notified of, or in some instances, to comment on, the following:

- Nonrenewal of a project based Section 8 contract
- An increase in the maximum permissible rent
- Conversion of a project from project-paid utilities to tenant-paid utilities
- A proposed reduction in tenant utility allowance
- Conversion of residential apartments in a multifamily housing property to a nonresidential use or to condominiums, or the transfer of the housing property to a cooperative housing mortgagor corporation or association
- Transfer of the project-based Section 8 contract in your property to one or more buildings at other locations
- Partial release of mortgage security
- Capital improvements that represent a substantial addition to the project
- Prepayment of mortgage (*if prior HUD approval is required before owner can prepay*)
- Any other action, which could ultimately lead to involuntary, temporary or permanent relocation of residents
- If you live in a building that is owned by HUD and is being sold, you have the right to be notified of, and comment on HUD's plans for disposing of the building.

ELIGIBILITY FOR ENHANCED VOUCHERS

If your apartment is assisted under a project-based Section 8 contract that is ending, and if the owner decides not to renew it, the owner is required by law to notify you in writing of that decision at least one year before the contract expires. Under these circumstances, you may be eligible for an Enhanced Voucher (EV), which owners are required to accept and which would give you the Right to Remain in a apartment at your property, provided that you are in compliance with your lease and the property remains rental housing. HUD will select a local Public Housing Agency (PHA) to provide an EV for eligible families who decide to remain at the property and to administer this assistance.

If you decide to remain at your property using an EV, a higher payment standard will be used to determine the amount of Section 8 assistance that is paid on your behalf if the gross rent for the apartment is more than the PHA's payment standard. However, the PHA must determine that the rent that the owner charges for your apartment is reasonable, and you must continue paying at least the amount of rent that you were previously paying.

If you are eligible for an EV, you can instead choose to move out of the property and use the voucher to rent a apartment anywhere in the United States where the owner will accept the voucher and the rents are in an allowable range, subject to approval. If you move out, however, the voucher is no longer "enhanced," and the amount of Section 8 assistance that is paid on your behalf will be based on the PHA's normally applicable payment standard.

Verification of Information Provided by Applicants and Tenants of Assisted Housing

What Verification Involves

To receive housing assistance, applicants and tenants who are at least 18 years of age and each family head, spouse, or co-head regardless of age must provide the owner or management agent (O/A) or public housing agency (PHA) with certain information specified by the U.S. Department of Housing and Urban Development (HUD).

To make sure that the assistance is used properly, Federal laws require that the information you provide be verified. This information is verified in two ways:

1. HUD, O/As, and PHAs may verify the information you provide by checking with the records kept by certain public agencies (e.g., Social Security Administration (SSA), State agency that keeps wage and unemployment compensation claim information, and the Department of Health and Human Services' (HHS) National Directory of New Hires (NDNH) database that stores wage, new hires, and unemployment compensation). HUD (only) may verify information covered in your tax returns from the U.S. Internal Revenue Service (IRS). You give your consent to the release of this information by signing form HUD-9887. Only HUD, O/As, and PHAs can receive information authorized by this form.
2. The O/A must verify the information that is used to determine your eligibility and the amount of rent you pay. You give your consent to the release of this information by signing the form HUD-9887, the form HUD-9887-A, and the individual verification and consent forms that apply to you. Federal laws limit the kinds of information the O/A can receive about you. The amount of income you receive helps to determine the amount of rent you will pay. The O/A will verify all of the sources of income that you report. There are certain allowances that reduce the income used in determining tenant rents.

Example: Mrs. Anderson is 62 years old. Her age qualifies her for a medical allowance. Her annual income will be adjusted because of this allowance. Because Mrs. Anderson's medical expenses will help determine the amount of rent she pays, the O/A is required to verify any medical expenses that she reports.

Example: Mr. Harris does not qualify for the medical allowance because he is not at least 62 years of age and he is not handicapped or disabled. Because he is not eligible for the medical allowance, the amount of his medical expenses does not change the amount of rent he pays. Therefore, the O/A cannot ask Mr. Harris anything about his medical expenses and cannot verify with a third party about any medical expenses he has.

Customer Protections

Information received by HUD is protected by the Federal Privacy Act. Information received by the O/A or the PHA is subject to State privacy laws. Employees of HUD, the O/A, and the PHA are subject to penalties for using these consent forms improperly. You do not have to sign the form HUD-9887, the form HUD-9887-A, or the individual verification consent forms when they are given to you at your certification or recertification interview. You may take them home with you to read or to discuss with a third party of your choice. The O/A will give you another date when you can return to sign these forms.

If you cannot read and/or sign a consent form due to a disability, the O/A shall make a reasonable accommodation in accordance with Section 504 of the Rehabilitation Act of 1973. Such accommodations may include: home visits when the applicant's or tenant's disability prevents him/her from coming to the office to complete the forms; the applicant or tenant authorizing another person to sign on his/her behalf; and for persons with visual impairments, accommodations may include providing the forms in large script or braille or providing readers.

If an adult member of your household, due to extenuating circumstances, is unable to sign the form HUD-9887 or the individual verification forms on time, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

The O/A must tell you, or a third party which you choose, of the findings made as a result of the O/A verifications authorized by your consent. The O/A must give you the opportunity to contest such findings in accordance with HUD Handbook 4350.3 Rev. 1. However, for information received under the form HUD-9887 or form HUD-9887-A, HUD, the O/A, or the PHA, may inform you of these findings.

O/As must keep tenant files in a location that ensures confidentiality. Any employee of the O/A who fails to keep tenant information confidential is subject to the enforcement provisions of the State Privacy Act and is subject to enforcement actions by HUD. Also, any applicant or tenant affected by negligent disclosure or improper use of information may bring civil action for damages, and seek other relief, as may be appropriate, against the employee.

HUD-9887/A requires the O/A to give each household a copy of the Fact Sheet, and forms HUD-9887, HUD-9887-A along with appropriate individual consent forms. The package you will receive will include the following documents:

- 1.**HUD-9887/A Fact Sheet:** Describes the requirement to verify information provided by individuals who apply for housing assistance. This fact sheet also describes consumer protections under the verification process.
- 2.**Form HUD-9887:** Allows the release of information between government agencies.
- 3.**Form HUD-9887-A:** Describes the requirement of third party verification along with consumer protections.
- 4.**Individual verification consents:** Used to verify the relevant information provided by applicants/tenants to determine their eligibility and level of benefits.

Consequences for Not Signing the Consent Forms

If you fail to sign the form HUD-9887, the form HUD-9887-A, or the individual verification forms, this may result in your assistance being denied (for applicants) or your assistance being terminated (for tenants). See further explanation on the forms HUD-9887 and 9887-A.

If you are an applicant and are denied assistance for this reason, the O/A must notify you of the reason for your rejection and give you an opportunity to appeal the decision.

If you are a tenant and your assistance is terminated for this reason, the O/A must follow the procedures set out in the Lease. This includes the opportunity for you to meet with the O/A.

Authority for Requiring Applicant's/Tenant's Consent to the Release of Information

Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992. This law is found at 42 U.S.C. 3544.

In part, this law requires you to sign a consent form authorizing the Owner to request current or previous employers to verify salary and wage information pertinent to your eligibility or level of benefits.

In addition, HUD regulations (24 CFR 5.659, Family Information and Verification) require as a condition of receiving housing assistance that you must sign a HUD-approved release and consent authorizing any depository or private source of income to furnish such information that is necessary in determining your eligibility or level of benefits. This includes information that you have provided which will affect the amount of rent you pay. The information includes income and assets, such as salary, welfare benefits, and interest earned on savings accounts. They also include certain adjustments to your income, such as the allowances for dependents and for households whose heads or spouses are elderly handicapped, or disabled; and allowances for child care expenses, medical expenses, and handicap assistance expenses.

Purpose of Requiring Consent to the Release of Information

In signing this consent form, you are authorizing the Owner of the housing project to which you are applying for assistance to request information from a third party about you. HUD requires the housing owner to verify all of the information you provide that affects your eligibility and level of benefits to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct levels. Upon the request of the HUD office or the PHA (as Contract Administrator), the housing Owner may provide HUD or the PHA with the information you have submitted and the information the Owner receives under this consent.

Uses of Information to be Obtained

The individual listed on the verification form may request and receive the information requested by the verification, subject to the limitations of this form. HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The Owner and the PHA are also required to protect the income information they obtain in accordance with any applicable state privacy law. Should the Owner receive information from a third party that is inconsistent with the information you have provided, the Owner is required to notify you in writing identifying the information believed to be incorrect. If this should occur, you will have the opportunity to meet with the Owner to discuss any discrepancies.

Who Must Sign the Consent Form

Each member of your household who is at least 18 years of age, and each family head, spouse or co-head, regardless of age must sign the relevant consent forms at the initial certification, at each recertification and at each interim certification, if applicable. In addition, when new adult members join the household and when members of the household become 18 years of age they must also sign the relevant consent forms.

Persons who apply for or receive assistance under the following programs must sign the relevant consent forms:

Rental Assistance Program (RAP)
Rent Supplement
Section 8 Housing Assistance Payments Programs (administered by the Office of Housing)
Section 202
Sections 202 and 811 PRAC
Section 202/162 PAC
Section 221(d)(3) Below Market Interest Rate
Section 236
HOPE 2 Home Ownership of Multifamily Units

Failure to Sign the Consent Form

Failure to sign any required consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the O/A must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the O/A must follow the procedures set out in the lease.

Conditions

No action can be taken to terminate, deny, suspend or reduce the assistance your household receives based on information obtained about you under this consent until the O/A has independently 1) verified the information you have provided with respect to your eligibility and level of benefits and 2) with respect to income (including both earned and unearned income), the O/A has verified whether you actually have (or had) access to such income for your own use, and verified the period or periods when, or with respect to which you actually received such income, wages, or benefits.

A photocopy of the signed consent may be used to request the information authorized by your signature on the individual consent forms. This would occur if the O/A does not have another individual verification consent with an original signature and the O/A is required to send out another request for verification (for example, the third party fails to respond). If this happens, the O/A may attach a photocopy of this consent to a photocopy of the individual verification form that you sign. To avoid the use of photocopies, the O/A and the individual may agree to sign more than one consent for each type of verification that is needed. The O/A shall inform you, or a third party which you designate, of the findings made on the basis of information verified under this consent and shall give you an opportunity to contest such findings in accordance with Handbook 4350.3 Rev. 1.

The O/A must provide you with information obtained under this consent in accordance with State privacy laws.

If a member of the household who is required to sign the consent forms is unable to sign the required forms on time, due to extenuating circum-

stances, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

Individual consents to the release of information expire 15 months after they are signed. The O/A may use these individual consent forms during the 120 days preceding the certification period. The O/A may also use these forms during the certification period, but only in cases where the O/A receives information indicating that the information you have provided may be incorrect. Other uses are prohibited.

The O/A may not make inquiries into information that is older than 12 months unless he/she has received inconsistent information and has reason to believe that the information that you have supplied is incorrect. If this occurs, the O/A may obtain information within the last 5 years when you have received assistance.

I have read and understand this information on the purposes and uses of information that is verified and consent to the release of information for these purposes and uses.
