

# Community Celebration

Friday, May 31, 2024  
3-7 p.m  
1323 Gilpin Street, Denver

We're celebrating 50 years of Warren Village community with a block party! Join us to recognize the past five decades of support, growth, and accomplishments of the people who have passed through Warren Village's doors.

We're shutting down the street for a celebration for residents, alums, volunteers, neighbors, and supporters with games, food trucks, live music, and more. There truly is no place like home!
