UNITED AIRLINES EARLY LEARNING CENTER  
WHERE FAMILIES FLOURISH

The United Airlines Early Learning Center, located on the garden level of Warren Village at Gilpin, provides high-quality, on-site developmental care and licensed early childhood education for more than 100 children ages 6 weeks to 10 years. The Learning Center has a Colorado Shines Level 5 program quality rating.

## UNITED AIRLINES EARLY LEARNING CENTER PROGRAM MODEL

### EVIDENCE-BASED CLASSROOM MANAGEMENT

The Learning Center utilizes an evidence-based classroom management model called Conscious Discipline®. The model—shown to be especially effective in fostering positive brain development in young children exposed to trauma—integrates social-emotional learning, discipline and self-regulation so teachers spend less time policing behavior and more time teaching vital life skills.

### RESPONSIVE CURRICULUM

Learning Center Teachers utilize the Creative Curriculum® for Preschool to plan lessons and create daily routines and meaningful experiences that are responsive to a child's strengths and needs. They also use its associated assessment system My Teaching Strategies™, GOLD® to assess each child's progress toward developmental benchmarks.

### MENTAL HEALTH SUPPORTS

Our partnership with WellPower provides two part-time Infant and Early Childhood Mental Health Specialist contractors who support staff, families, and children by providing problem-solving and wellness skills to help alleviate behavioral and emotional concerns.

### FOCUSING ON NUTRITION

Children are served a healthy breakfast, lunch, and afternoon snack prepared by our on-site chef. These meals provide for 2/3 of a child's daily nutritional requirements.

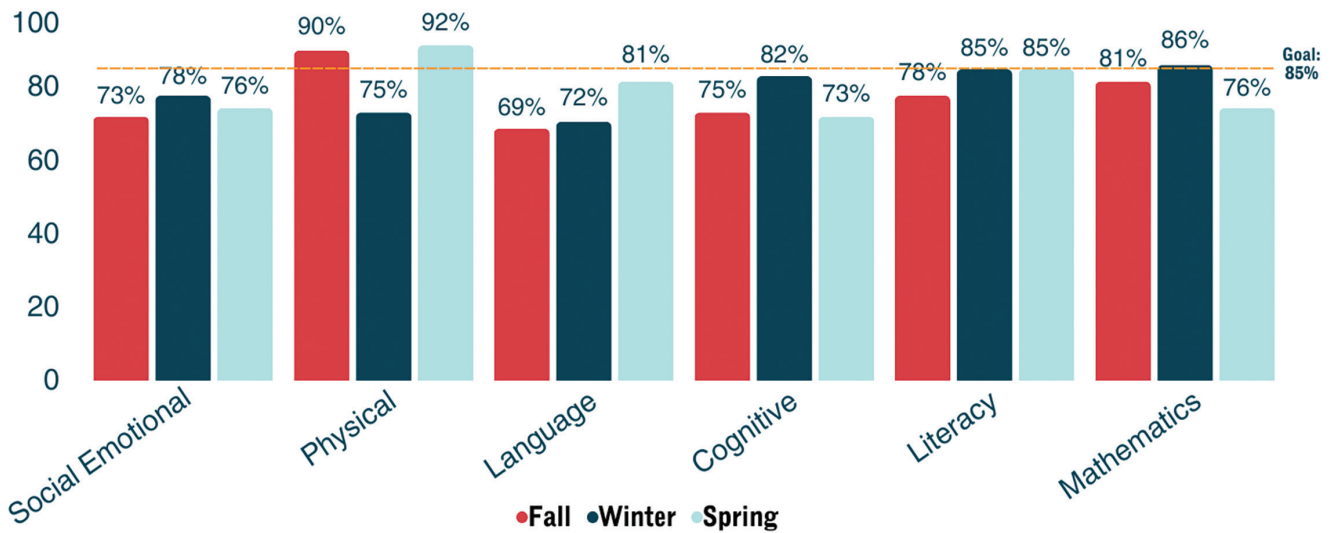

# WHO WE SERVE

The Warren Village United Airlines Early Learning Center is both an independent early education and child care center and part of the Warren Village self-sufficiency program, which means it is open to residents of our housing complex, as well as members of the community. The multicultural curriculum is designed to promote healthy physical, social, intellectual, and emotional development, as well as creativity and critical thinking skills.

## EARLY LEARNING CENTER OUTCOMES\*

My Teaching Strategies GOLD® is an inclusive assessment tool that enables teachers to assess development in children from birth to kindergarten. These are the scores across six areas of development for all children in the Warren Village Early Learning Center.

\*All outcome data is from April 1, 2023 - March 31, 2024

## WAYS TO GIVE

When you make a donation to Warren Village, it is more than a gift; it is a commitment to empowering low-income, single-parent families. It provides the resources, people, and spaces for residents to tap into their potential, break down systemic barriers, and take the next step in their journeys. You can support Warren Village in many different ways.
