

Bethany M. Carvajal MD, FAAP

Dr. Carvajal graduated from University of Colorado School of Medicine in 2009, following an undergraduate degree in molecular biology at University of Colorado, Boulder, where she was a Boettcher Scholar. During medical school, Dr. Carvajal worked as a research assistant for the University of Colorado School of Medicine. She completed her pediatric internship and residency at the Phoenix Children's Hospital / Maricopa Medical Center in 2013. Dr. Carvajal joined Advanced Pediatric Associates in 2013. She is a Fellow of the American Academy of Pediatrics, a certified breastfeeding specialist, and is certified in pediatric advanced life support. Her interests in pediatrics focus on allergies and asthma, as well as breastfeeding support for new mothers. Her personal interests include hiking, skiing, running and spending time with her family. She and her husband have two sons.
