

Jerry Rubin, M.D.

Jerry was born in Ogden, Utah. He finished his premedical education at Weber State College. He attended medical school at the University of Utah, graduating in 1977, and completed his internship and residency in pediatrics at the University of Colorado Health Sciences Center. In 1980 he joined Dr. Jordan Klein (our now retired founding doctor) in practice. He is married and has three married children and one grandchild. He enjoys sports (especially triathlons), wood-working and gardening. His areas of special interest are integrated medicine and behavior management.
